Located in the scenic rolling hills of Bastrop County, this meticulously maintained 176-acre ranch is perfectly set up for both agricultural and recreational use. The land features well-managed improved pastures ideal for grazing or hay production, paired with a beautiful mix of mature oaks and native trees that provide natural shade, privacy, and excellent wildlife habitat. Three ponds, a solar-powered water well, perimeter fencing, working pens, multiple storage barns, and a custom welded pipe entrance make this property fully operational from day one. An old abandoned home sits on-site with all utilities in place - including its own water well, septic, and power. An abundance of deer, turkey, and hogs roam freely across the land, making it a haven for wildlife enthusiasts and hunters alike. Despite its peaceful, private setting, the ranch is conveniently located less than 30 minutes from Bastrop, Giddings, and Smithville.
