3 Bedroom, 2.00 Bathroom, 1,729 sqft

Residential on 0.30 Acres

Other, Hilltop Lakes, TX

Almost completely surrounded by sparkling water, this home puts you at the heart of lake living. From the moment you arrive, the setting steals the show - wide open lake views wrap around the property, and just across the road you'll find a fishing dock ready for lazy afternoons or early morning casts.

Inside, every detail speaks to quality and charm. Crown molding, rich trim work, and fresh paint frame each room beautifully. The kitchen is a showstopper with warm, ranch-style cabinetry, a unique backsplash above the oven, and a sink view that makes washing dishes feel like a treat. A tiled fireplace anchors the living space, while large windows keep those lake views front and center.

Recent updates include new vinyl bedroom flooring, PEX piping, a tankless Rheem water heater, and an 8-month-old 22 kW whole-home generator. With more closets than you can count and durable Hardie plank siding outside, this is a home built for comfort, function, and enjoying the lake from sunrise to sunset
