This rare 1896 built Central Texas estate on 5.5 acres blends historic charm with refined modern luxury. Meticulously renovated, the 2700 sf main home preserves original hardwood floors, shiplap, brick, doors, and trim - showcasing craftsmanship from another era - while adding high end upgrades like leathered granite counters, butler's pantry, farmhouse sink, and a reimagined sleeping porch office with private entry for remote work or client meetings. The spa inspired primary suite offers his & hers closets, a custom tiled walk in rain shower, vintage clawfoot tub, vanity, and jewelry closet. 12 ft ceilings, French doors and an artisan curated stone fireplace with reclaimed mantle anchor the living space. Outdoors, enjoy a private pool with tanning ledge, pool house with full bath, multiple covered patios, and landscaped entertaining areas.
