MLS® #25009472

\$1,425,000

4 Bedroom, 5.00 Bathroom, 2,673 sqft

Residential on 4.00 Acres

Other, Hempstead, TX

This property blends space, versatility, and functionality with a layout designed for a variety of needs. The main home features 4 bedrooms and 4.5 bathrooms with an open floor plan connecting the living, dining, and kitchen areas. The living room includes a vaulted ceiling with wood beam detail, floor-to-ceiling brick fireplace, and large windows for natural light. The kitchen is equipped with a center island, custom cabinetry, stainless appliances, and a walk-in pantry. The primary suite offers dual vanities, a soaking tub, and a walk-in shower, while each secondary bedroom includes a private en-suite bathroom. A half bath serves guests in the main living area.

Additional spaces extend the home's function. The oversized garage includes a 122 sq. ft. finished bonus room with central air and heat, may be used as an office, hobby space, or exercise room. A detached barn provides covered and enclosed storage along with a 200 sq. ft. finished living area that can serve as guest quarters, an office, or recreation room. The barn is equipped with two RV hookups: one inside with full utilities and covered parking, and another outside for exterior parking.

Designed with flexible use in mind, this property combines a spacious main residence with multiple finished spaces, ample storage, and RV accommodations. Schedule a showing to explore how this property can meet a wide range of living and storage needs.
