2 Bedroom, 2.00 Bathroom, 1,216 sqft

Residential on 3.50 Acres

Other, New Waverly, TX

Wrapped in shade trees that feel like a natural canopy, this 3.5-acre property gives you the calm of the country with quick access to I-45. A deep front porch sets the tone—slow mornings with coffee & quiet views. Inside, the layout lives with wide-open spaces & 3 walk-in closets (2 at the secondary bedroom wing and 1 in the primary suite), giving rare, dedicated storage for a home of this footprint. The land itself is what makes this place feel magical—an open, groomed yard under mature trees, a fully fenced pasture with water ran all the way out, & thoughtful additions everywhere you look. The 30'—50' shop has water, a 10'—10' storeroom & 150-gallon propane tank—ideal for hobbies or an oversized garage. There's also a 16'—40' RV cover with 50-amp plug, chicken coop with lean-to, + a back porch to take in the breeze from sunrise to sunset. For peace of mind, it is set up with a whole-home generator & its own propane tank. Lovingly maintained & prepared for its next chapter!
